Description

These off the plan 4 units of 2 bedroom villas set on 240 sqm of land size with a 171 sqm building, situated in the a lovely area of Jimbaran, is now available for sale. Every detail of this home has been carefully crafted to create your own sanctuary, each unit will feature 2 en-suite bedrooms, kitchen, open living space, a guest toilet, pool, communal garden and parking area.

The villa is due for completion in December 2021. All the units will be built as a residential complex. There is already a project manager in place to manage the construction and ensure the villa designs and finishing is to the highest standard. The villa is hidden away, away from the hustle and bustle of Bali life, and most importantly, traffic and construction noise. See 3D photos of the villa construction design example. Nobu Villas is available for sale (leasehold 25 years with a fixed-price prolongation).
