Description

A gorgeous 6 bedroom villa located in a lovely area of Berawa is available for sale. Built on 1130 sqm of building. The house features 6 ensuite bedrooms, semi-open living with an open plan kitchen, terrace, balcony, swimming pool, garden, and parking space.

Boasting a beautifully wide frontage, the residence itself has fantastic street appeal and looks nothing like a boxy project home. It promises a delightful setback from the main street, with an appealing landscaped front garden and lawn, and a beautiful rice field view. Inside is an absolute treat on the eyes with easy split-level living, blending both good looks, with a wonderful looking interior and practicality too, with a fabulously functional floorplan. For those who are looking to buy a property for long-term investment in Bali, Villa Anita might be the one.

The villa is available on the market for sale for USD 750,000 (lease until 1 January 2040, with the option to extend). It is also possible for yearly rentals at USD 60,500/year
