Description

Step into the warm, authentic charm of Joglo Lupita 3, a beautiful Joglo-style villa tucked away in the peaceful and lush surroundings of Pantai Lima – Pererenan. This unique home sits on 300 sqm of land, blending traditional Indonesian architecture with modern comfort.

This villa features 3 spacious en-suite bedrooms, an enclosed living room, a fully equipped kitchen, a lovely garden, a refreshing private swimming pool, and secure parking space – perfect for a comfortable and serene lifestyle.

Pererenan, located just north of Canggu, is fast becoming one of Bali's most sought-after residential areas. It offers a calm and green environment, with rice field views and a village vibe that's hard to find in the busier parts of Canggu, Berawa, or Seminyak — yet still only a short ride to the beach, cafes, and shops.

If you're looking for a home that reflects Bali's rich cultural heritage while offering modern convenience, Joglo Lupita 3 is the perfect choice. Contact us now to arrange for the viewing !
