Perfectly located near Goa Gong, this beautifully two-storey home offers sweeping 360-degree views of the surrounding landscape and the iconic GWK statue. From the first-floor balcony, you can enjoy breathtaking sunsets while surrounded by peace and natural beauty.

As you step through the elegant arched doors, you are welcomed into a sophisticated living space. The expansive pool area is framed by lush tropical landscaping and includes a daybed and outdoor shower, creating a private oasis for relaxation. Inside, the enclosed living and dining areas are designed for both comfort and style, with a dining table, a modern kitchen with an island bench, and a cozy lounge featuring a three-seater sofa and a wall-mounted TV.

The master suite feels like a private hotel room, offering 32 square meters of indulgence. It is furnished with a king-size bed with a bespoke rattan headboard, a parents' lounge area with a flat-screen TV, and a spa-inspired ensuite complete with a walk-in shower, double vanity, and a stone bathtub. Upstairs, three additional bedrooms provide ideal accommodation for children or guests, with two of them featuring ensuite bathrooms. This level also includes a second kitchen with an island bench, a storage room, and a laundry with a guest toilet.

The villa's first-floor terrace is designed for entertaining and relaxation. Whether you are enjoying cocktails at sunset, hosting a gathering under the stars, or simply unwinding in the evening breeze, it is the perfect place to savor the beauty of Bali.

Villa Evata sits on 210 square meters of land with a building area of 250 square meters. It features four bedrooms, three bathrooms, an enclosed living room and kitchen, and a swimming pool measuring 3.8 by 7.5 meters. The property also provides parking for two cars and is equipped with a 7,000-watt electricity supply and solar-powered hot water.
