Description

Nestled in the peaceful area of Babakan, Canggu, this elegant freehold villa embodies a refined blend of modern design and natural Bali charm.

Built on 116-148 sqm of land with a 200 sqm building size, this property is thoughtfully designed to provide a serene and luxurious living experience surrounded by lush rice field views.

The villa features 3 spacious bedrooms, with 2 ensuite bathroom, plus an additional powder room for guests' convenience. Every detail reflects modern sophistication from the warm wooden finishes, neutral color palette, and minimalist architecture, to the open layout that seamlessly connects indoor and outdoor spaces.

The living and dining area is designed to embrace natural light and breeze, overlooking a private swimming pool surrounded by tropical greenery.

The modern kitchen comes fully equipped, perfect for both daily comfort and entertaining.

The villa is fully furnished with high-quality pieces that complement its calm and elegant aesthetic.

Located in a quiet neighborhood of Babakan, yet only a short drive to Canggu's best cafés, restaurants, and beaches, this villa offers the perfect balance between privacy and convenience.

Ideal for those seeking a sophisticated residence or a valuable investment in one of Bali's most desirable locations.

Don't miss this big opportunity! The Sattva Villa is available 9 units on the market with following price:
