Description

Villa Lusi is a beautifully finished 3-bedroom villa in Sanur that really stands out for its quality and attention to detail. Set on 300 sqm of land with a generous 250 sqm two-storey layout, the villa has a clean, modern exterior with warm timber touches, a private pool framed by lush tropical plants, and a wooden deck that makes the outdoor space feel really inviting. It's the kind of villa that immediately feels like a proper home spacious, well thought-out, and finished to a high standard throughout.

Inside, the villa has a rich, warm aesthetic that runs consistently from room to room. The kitchen is a real highlight full timber cabinetry, dark marble surfaces, a large island, and glass pendant lights give it a sleek, almost restaurant-quality feel. The bedrooms are equally impressive, wrapped in warm wood tones with built-in wardrobes, integrated vanity areas, and plenty of storage. The bathrooms bring another level of quality to the property, with a freestanding stone bathtub, green tile feature walls, and a garden-view window that makes the space feel fresh and considered.

Sanur is one of Bali's most loved long-term living areas calm, walkable, close to the beach, and with a great selection of cafés, restaurants, and local markets. It's a genuine community with a relaxed pace of life that suits families, couples, and remote workers equally well. Available for monthly and yearly rent, making this an easy, comfortable place to settle into Bali life.
